

Dear Valued Supplier,

Please follow this guideline to prevent pitfalls with importing:

Should **INNIO organize the transport** via CEVA Logistics (Incoterm **FCA**):

Please send all shipping documents at the time of pickup to CEVA Logistics to the following e-mail address: SH-EU-BE-INNIO@Cevalogistics.com.

Should **the transport be organized by yourself** (usually under incoterm **DAP/CPT**):

Please send all shipping documents to our trade advisory company STAS to the following e-mail address: jenbacher@sttas.com. Furthermore, please inform the freight forwarder about our brokers:

For deliveries to Germany, please see below the broker's details:

Additionally, please see the list of the **invoice requirements** necessary for the customs import clearance:

- Invoice Number
- Invoice Date
- Ship From / Ship To
- Bill To / Importer of Record
- Contact Person (Sender & INNIO side)
- PO Number, or other agreed reference
- Incoterm (if other than FCA or EXW, then freight costs are needed clearly listed on the invoice in a separate line → it should also be mentioned if freight charges are included in the total price or not)
- Incoterm location (exact pickup or delivery place)
- Freight Costs (if necessary, as listed above)
- INNIO Jenbacher Part Number
- Part Description
- Quantity
- HS Code
- Country of Origin
- Weight (net & gross)
- Unit Price
- Total Value
- Currency

Your support for a smooth and compliant process is greatly appreciated!
